Ride Reports

Bunnings Sausage sizzle 16th October

If we though last year was big then this year was HUGE !. We sold nearly 110 Kg of sausages to the hungry people of Hoppers Crossing.

Financially we obtained a similar result to last year raising just over \$2000 in profit for the day.

A huge thanks to the club members who helped out on the day. It takes a lot of effort to get 110 Kg of sausages prepared / cooked and sold and they did a great job. Westy proved to be invaluable as our entertainment for the day. Special thanks to Midnight who joined us for most of the day— all the way from Tawonga South.

This time we had a few people actually indicate that they may join our great club—Lets see.

Pink Ribbon ride 23rd October — See overleaf**6th November—Blackwood Pub ride**

Tallangatta Weekend 21st 22nd January 2012

Hi all the Tallangatta ride is on again, unfortunately I thought it was a long weekend, so it got me again, being only a 2 day event again this year, for those who did come, we had a good time just the same, just didn't get some of the awesome rides in I had planned, the roads around the area are perfect for bikes + NO push bike riders, ha ha. We all know how much we like them blocking the roads.

I've asked if the price was the same & yep it is. Ward & Kathy the owners also motorcyclists owning a Hybusa. said \$40 per head, including breakfast & when i organize a subsidy from the club, it will even be less. At the moment I've got 6 rooms booked, 4 with queen size bed only, 1 with a queen & a single, 1 with 2 single beds, the rooms are all airconditioned with own showers.

For tea we went to the pub, which is about 50 metres behind the motel, the pub dose the best pizza's & the normal meals are really good as well., at reasonable prices. Because it's summer the local pool is only 30 metres in front of the motel for those that want to cool down when we get there.

I need numbers a.s.a.p on the chance all these rooms fill with the guys that came last year, so i can get more rooms booked, with the Hume Weir full now the chances are the motel will get booked out early, so don't delay.

The guys that did go last year had a great time, we even stopped in Glenrowan to see the Ned Kelly show. It was well worth the look. Call me on 0417508375 to book your place Shrek

Tough bikies in the pink

HUNDREDS of the roughest and toughest bikies from across Victoria will descend upon Werribee this month, but in an unusual twist they will all be wearing pink.

The annual revving of engines is all for a good cause as it will raise much-needed funds for the Breast Cancer Network Australia (BCNA).

Marcel Gromperts from the Point Cook Motorcycle Club, which organises the Pink Ribbon Motorcycle Ride, said the riders are expected to brighten up the streets of Melbourne, giving hope

to people who are affected by breast cancer.

"The Pink Ribbon Motorcycle Ride is a wonderful event that not only makes a strong visual impact, but also has a significant effect on those living with breast cancer and their families," Mr Gromperts said.

"By supporting the Pink Ribbon Motorcycle Ride, you are helping the Breast Cancer Network Australia (BCNA) ensure that women diagnosed with breast cancer, and their families, receive the very best information, treat-

ment, care and support possible, no matter who they are or where they live."

The ride is also open to scooter enthusiasts, and will be held on Sunday 23 October from 10am.

The main departure points are the docklands in Melbourne, Mercer Street in Geelong, Ballarat and Bendigo, with the bikies eventually making their way to the Mambourin Gardens in Werribee.

**The problem is not how did they get in there....
it's how do you get them out?!**
